Planning to adopt a pet? Wait until after the hectic holidays.

When guests visit, put pets in a quiet area, away from the commotion.

Keep tinsel, garlands, ornaments, and strings of lights away from curious critters, who might chew or choke on them.

Reuse gift bags, boxes, and bows, and avoid foil gift wrap—it isn't recyclable.

Recycle the Christmas tree instead of sending it to the landfill. For tree recycling stations nearest you, visit www.earth911.com.
