## Wonderful World

Circle the word for each picture.

		
<p>finish fish fence</p>	<p>rag robe rabbit</p>	<p>inch insect ink</p>
		
<p>eagle easy early</p>	<p>next neck nest</p>	<p>duck dock dump</p>

In the blanks below, write the first letter of each word you circled. Go from left to right, starting with the top row.

Earth is our home. It is also home to many kinds of plants and animals. Try to leave nests, rocks, ant hills, trees, and wildflowers alone. Be a \_\_\_\_\_ to all living things.

**On the back, draw a natural environment. Put some of the pictures from this page in your drawing.**
