# Animal Thanksgiving

If animals could say "thanks," what would they be thankful for? Perhaps for people who help them stay safe and healthy!

Read these imaginary thank-you notes from animals. At the bottom of each, write the name of an appropriate animal.

## Pets

*Thank you for giving me fresh water to drink every day.*

\_\_\_\_\_

*Thank you for keeping me indoors, where I am safe.*

\_\_\_\_\_

*Thank you for moving slowly and talking quietly around me. That helps me feel safe.*

\_\_\_\_\_

*Thank you for getting me spayed. It would be hard to find homes for my babies.*

\_\_\_\_\_

## Wild Animals

*Thank you for cutting apart six-pack rings so I don't get stuck in them.*

\_\_\_\_\_

*Thank you for not keeping me as a pet. I am a wild animal. I would rather live outdoors.*

\_\_\_\_\_

*Thank you for telling people not to throw their litter near streams and ponds.*

\_\_\_\_\_

*Thank you for protecting the land where I live. I need my home.*

**On the back, write at least three reasons why animals are thankful for you.**
